Claire Wilson

Claire E. Wilson is the assistant commissioner for the Community Supports Administration which develops statewide policy direction for mental health, disability services, alcohol and drug abuse, housing and support services, and deaf and hard of hearing services.

Most recently, Wilson served as the executive director of the Minnesota Association of Community Mental Health Programs and has been an ongoing advocate for the mental health and substance use disorders communities. NAMI Minnesota is pleased with her appointment and looks forward to working with her in this new position.

Shannah Mulvihill

Shannah is the executive director of Mental Health Minnesota, whose mission is to enhance mental health, promote individual empowerment, and increase access to treatment and services for persons living with mental illness.
