## Drop-in Center News

I'm truly hoping that all of you have had an enjoyable and refreshing summer. As this season ends and we transition to autumn, I have been speaking with others to develop new activities to implement at the Center. Please contact me if you have any ideas to share. I am always receptive to new opportunities and experiences.

We will now be having a "Movie group" every other Friday. The first of these will be September 2nd. We will be watching "Jurassic World Dominion".

Refreshments will be provided. Please let me know the titles of any movies you would like to see.

On September 9th, we will be having an end of summer BBQ at the Center.

Please plan to attend. Thank you, Jodi T. for keeping our Center clean and sanitized.
